**I agree to the following facility guidelines:**

1. Dogs must be on leash AT ALL TIMES.
2. POTTY YOUR DOG ONLY IN THE DESIGNATED AREA AND CLEAN UP AFTER YOUR DOG. There will be a \$10.00 fine for anyone who does not follow this basic courtesy.
3. Do not leave dogs in the car. If you are attending class with multiple dogs, come prepared to crate inside the training building. There is plenty of space for your crate.
4. Do not arrive more than 15 minutes early for your class to avoid parking entry-exit problems.

**In addition, I understand and agree to the following:**

1. No dogs aggressive toward people or other dogs are allowed in any of the classes. If you need clarification on this point, speak to one of the instructors BEFORE registering your dog.
2. Keep your dog on leash and six feet from other dogs unless otherwise directed by your instructor.
3. Keep your dog quiet at all times by following your instructor's recommendations. We can help with noisy behaviors.
4. Be responsible for all children and family members attending class. Children under 16 are welcome, but must be accompanied by an adult. Young children must have an adult with them during class.

**Vaccinate your dog as required:**

Puppies normally should not begin class until they have received their second set of puppy shots prior to the first class they attend. This is usually between 9-12 weeks. Dogs over 1 year of age must receive annual boosters or titer test and Rabies boosters every 3 years. Bordatella (kennel cough) is recommended but not required.

**Please note date of last vaccinations:**
