

Effective October 1, 2023

the price for all classes will be increasing:

Star Puppy (12 week program)

\$350 per session.

All Seven Week classes

Obedience, Rally, Agility, Nosework, K9 Parkour, etc.

\$250 per 7 Week Session

The discount for additional classes and/or dogs enrolled in classes at the same time will remain at \$25 for all classes after the first one.

We work hard to keep the cost of classes down and will continue to do so even as expenses continue to increase. Our prices are the lowest in the area and no other training facility has smaller class sizes. Unlike others, we can make accommodations for absences caused by illness or family emergency. We are proud of the instructors, training and environment we provide.

Please note that payment for class is due no later than the first time the class meets for a session. We accept cash or checks, or payments via VENMO.

We understand the economic challenges some are facing. If the change in tuition causes a problem for you, please contact us and we will be happy to work something out. (caninefun@aol.com).
