

COVID-19 Guidelines

To address the COVID outbreak in Washington, we continue to keep our facility and class guidelines up to date based on state guidance. We are fortunate to have outdoor airflow in our large arena. Our guidelines are to mask as you exit your car, until you reenter your car, sanitize hands coming and going, seating 6 feet plus apart, and limiting to 6 teams makes our classes particularly safe.

Everyone's safety is primary concern!

Please email caninefun@aol.com with questions.
